

AGRONOMY NEWS- INDEX

Issue No 1 June 1996 to Issue No 58 Nov 2011.

Topic	Issue No		
Pastures			
Earth Mite Control Options	1	Pasture Trace Element Level for Horses	38
Lucerne Variety Trial Results	4	Early Ryegrass Sowing Tips	39
Perennial Ryegrass Rust Ratings	5	Early Ryegrass Sowing Caution	40
Do stock compact soil ?	7	How Good is Your Sub Clover	41
Early Spring Irrigation Critical	7	Max P fescue-What is it ?	41
Horse Pasture Tips	7	Irrigation Requirements of Pastures	42
White Clover Needs Phosphorus	8	Lucerne Leaf Roller.	42
Perennial Grasses Affect Clover	8	Barley grass problems	42
Whats New in Lucerne Varieties.	10	Avoid Cutting New pastures - for hay or Silage !	42
New Earth Mite Control Options	10	Drought Strategies for pastures	44
Earth Mites - a bad year	11	When it rains Pasture options	44
Pasture Benchmarks for grazing	11	Lucerne –WUE Irrigation	46
Kikuyu Lifting Feed Quality	14	Summer Pastures –continue to impress	46
Perennial Summer Grasses for Upper Hunter	14	Kikuyu Poisoning –low risk	47
Phalaris Varieties- whats new & features	15	Spring Pasture what to watch for	48
Pasture Responses to Saffron Control	16	Fescue Update –the facts	49
Horses Eat More Quality Pasture.	16	Nutrient Losses with Hay or Silage	49
Horse Sick Pastures	17	Time to Prioritise Paddocks	50
Identifying Sub Clovers in the Paddock	17	Pasture Trace Elements Low for Horses.	50
New Earth Mite Discovered.	17	Lucerne Variety Update 2008	50
Phalaris Feed Quality- management tips	19	Sub tropical grasses need Nitrogen	50
Horse Pastures- Grass Species Trial	20	Horse Grazing Behaviour	51
How Late Can You Sow Pastures	21	Ryegrass Seeding Rates Research	52
Horse Pastures and Their Mineral Content.	21	Ryegrass Sowing Depth Research	52
Slugs are a Real Problem for Pastures	22	Kikuyu an underrated pasture	52
Cocksfoot Varieties- Stock Preferences	22	High Endophyte Fescue toxic to horses	53
New Pastures What to do	23	How good is your Sub Clover ?	53
Sub Clover Varieties- the best ones	23	Pasture Management to reduce Rattles in young foals	55
Horse Pastures- Spring/Summer Tips	23	Winter Active MaxP fescue Toxicity – Research Report summary.	56
Lucerne Spring Management Tips	23	Horse pasture topics from USA study trip	56
Aerial Pastures Need Approval	25	Summer Pasture Successes grow	56
Lucerne Growing is it Profitable	25	Paspalum ergot poisoning risk	57
Horse Pastures Mineral Content	25	Bindoon –new sub clover	57
Pasture Benchmarks for Weaners	26	Lucerne leaf Rollers control	57
Whats it cost to grow 1 Ha pasture	27	Aspect Affects Hill Country Pastures	58
Earth mites are Active	27		
Pasture Establishment problems in 2001	28		
Nitrogen Deficiency in Pastures	28		
Lucerne Variety Update & Tips	31		
Drought Strategies for Pastures	31		
Groundcover Protection	33		
Phalaris Variety Update	34		
Phalaris Poisoning Risk	35		
Pasture Lessons from Drought	35		
Nitrogen from Clovers-How much	35		
Keeping Lucerne Clean	35		
How much fertilizer is going off your lucerne hay paddock.	37		
Ryegrass Success Tips	37		
Phalaris Poisoning Risk	37		
New pastures –what to watch for	38		

Cropping		Issue
Wheat Grain Protein a Good Indicator	3	
Forage Crop Tips	4	
Grazing New Oat with Caution	5	
Stubble Handling Machinery	5	
Deep Soil Nitrogen Testing Tips	5	
Whats the real cost of growing wheat ?	6	
How late can you sow sorghum?	8	
Forage sorghum-getting results	8	
Wheatman Crop Model -good predictor	10	
Growing Sorghum - the critical factors	12	
Killing lucerne - it can be done	12	
Check Your Soil Thermometer-most are out!	13	
Sorghum -how cold tolerant is it.	13	
Wheat Diseases -bad year,- the options	13	
Canola Varieties Update	13	
Keep Summer Fallows Clean	14	
Grain Protectants -Withholding Periods	14	
High Profit Crop Rotations	14	
Tips on Summer Spraying	14	
Whats the Cheapest P & N fertiliser for Crops	15	
Sorghum prices -ten year price probabilities	15	
Sorghum Grain protein -indicator for nitrogen	15	
Canola Establishment- what population ?	16	
Slugs are a Real Problem	22	
Sorghum Variety Update 2000	23	
Heliothis Control In Winter Crops	23	
Canola Prices -ten year probabilities table	17	
Canola Crop Issues for Planning	17	
Sclerotinia in Canola -what to do	18	
Black Point in Wheat -what to do	19	
Is Your Wheat Crop on Target ?	22	
Weather Damaged Crops	24	
Understanding Weather Damaged Grain	24	
Canola Doesn't like Wheat Stubble	24	
Winter Forage Crops for Stock	25	
Summer Forage Selection Chart	28	
Summer Crop Selection Chart	28	
Its all about timing	30	
Winter Wheats vs Grazing Oats	30	
Winter Crop Variety Recommendations	30	
Forage Sorghum Poisoning Risk	33	
Summer Forage Crop Selection	33	
Summer Crop Guide.	33	
Plan for Seed Early	33	
Sorghum Hays Risky.	34	
Oats ain't Oats	34	
Winter Cereal Seed Costs	34	
Lessons on Winter Wheat	35	
Late Phenoxo Herbicides on Cereals	35	
Winter Wheats vs Oats.	37	
New Wheat Stripe Rust.	37	
Black Bindweed Control in Cereals	38	
Oats vs Winter Wheats	38	
Wheat Stripe Rust Update.	39	
Summer Forage Crop Selection	42	
Oats Variety Selection Chart.	43	
Its all about timing	43	
Oats Caution about early sowing	43	
Struggling Oats-What to do ?	44	
Order Oats Seed early	45	
Oats Selection Chart	45	
Caution on Summer Forages	45	
Summer Forage Chart.	45	
Granulock 15 vs DAP vs DAP Star	46	
Grazing Oats-topics of interest	47	
Oat Paddocks Pugging	48	
Oat crops for grazing under a spotlight	50	
Oats foliar Diseases	52	
Crop Stages for spraying young oats	52	
Cereal Aphids attack forage oats	53	
Oats Vs other cereals for forage research	53	
Deep ripping boosts winter feed	55	
Nitrogen Boosts Oats	57	
New seed treatment for Oats seed	57	
Pasture and Crop Nutrition,Fertiliser Use		Issue
Topdressing Nitrogen -which product ?	2	
Super Fertiliser War	4	
P & N Fertilisers for Crops	4	
Zinc Responses in Sorghum	7	
Whats New in Pasture Fertilisers	9	
Which is the best buy in Pasture Fertilisers?	9	
Warning on Gypsum Use.	9	
Fertiliser is More Important than Rainfall	10	
Supered Pastures- way ahead.	11	
Pasture Utilization critical for response from Super Programs. The cost :benefit.	13	
Whats the Cheapest P & N fertiliser for Crops	15	
Zinc in Lucerne	15	
Alternative Fertilisers -do they work.?	16	
Aerial Topdressing Super- Checklist	19	
Whats new in Pasture Fertilisers in 2000	19	
The best buy in Pasture Fertilisers?	19	
Super Quality Much Improved	20	
SF45 vs Gypsum	20	
Pivot Perfect S 35 -Product Review	22	
New Nitram Fertiliser for Topdressing	22	
Supering in 2001- Get Ready !	24	
Why you must keeping using super.	25	
Pleasures from Supering Pastures	26	
Nitrogen Deficiency in Pastures	28	
Pasture Fertiliser Shortage in 2002	29	
Pasture Fertilisers-Whats new in 2002	29	
Getting ready for aerial spreading	29	
Pasture Fertiliser Selection Chart	29	
Hifert "Super M" Review	30	
Fertiliser Still Works in Droughts.	31	
Supering Decisions in 2003.	34	
Least Cost Nitrogen Fertiliser	35	
Nitrogen Losses from Topdressing	36	
Liquid Fertilizers & Biological Brews	36	
Pasture Fertiliser Discounts	36	
Monitor Stock Selenium levels	35	
DAP vs Granulock 15	40	
Selpor vs Selcote	40	
Single Super vs High Analysis Fertilisers	40	
More Nitrogen Needed on Pastures.	41	
Fertiliser Requirements for Lucerne Hay	44

Paddocks	
Fertiliser Still works in Dry years.	44
Granulock 15 vs DAP vs DAP Star	46
Nitrogen Fertiliser-does it still pay	47
Nutrient Losses with Hay or Silage	49
Granulock and Starter fertilisers	49
Fertiliser Makes the Difference	49
Record Fertiliser prices-what to do ?	50
Can you afford not to Super ?	50
What happens if I stop supering ?	50
Pasture SF replaces SF 45	50
World Fertiliser Prices Crash	51
Least Cost P fertilizer for crops	52
SF45/Pasture SF no longer available	52
Granulock 15 DAP vs DAP Star	53
Watch out for "Alternative" and Biological Fertilisers	55
Sulphur Fertiliser Comparison	55
Nitrogen Boosts Oats	57
Supering Decline a real problem	57
Balanced Fertilisers Boost Pastures	58

Livestock

Issue

What is a DSE ?	5
Breeding Cycle in Beef Cows	7
Smarter Sheep Drenching.	8
Pasture Quality and Quantity -Use to predict Livestock Performance	12
Beef Prices and Your Costs-whats the trend	12
Beef Herd Benchmarking	16
Your Calving Pattern is it right for profits	17
What are the costs to run a DSE of Beef	18
Feed Clean Grain to Horses	18
Selenium Deficiency –Real Issue	21
